

Quick guide to

SELECT Membership

application

Approval process

Contact us to register your interest or request more information about becoming a Member.

Our membership team will check that you meet the initial requirements of becoming a Member. (**Membership criteria** checklist is provided on the next page.)

If you don't meet the requirements yet (e.g. you haven't been trading for six months or need to apply to become a SJIB Approved Electrician), you might want to consider joining our **Probationary Scheme**.

We'll arrange a meeting with one of our **Membership Representatives** in your area who can help you complete your application and answer any questions you might have.

We'll arrange a **technical inspection** that will be carried out by one of our in-house UKAS accredited technical inspection team.

Your application will be **deferred** if you fail the initial technical assessment. You will get a chance to correct any issues and we'll arrange a second visit with one of our inspectors. Application will be rejected if you fail the second assessment.

Successful applicants are required to pay the appropriate **annual subscription** and levy fee upon acceptance and once paid shall be entitled to use the range of services and benefits provided by SELECT.

Application checklist

- Has your business been trading for more than six months?
- Are you, or is your nominated Qualified Supervisor a SJIB Approved Electrician?
- Have you, or your nominated Qualified Supervisor, completed BS 7671 training within the last 5 years?
- Have you, or your nominated Qualified Supervisor undertaken the ECS Health & Safety assessment within the last 3 years?
- Do you have a current copy of BS 7671: Requirements for Electrical Installations (IET Wiring Regulations)?
- Do you have a copy of The Memorandum of Guidance on the Electricity at Work Regulations 1989 (HSR25)?
- Have you carried out sufficient work to the appropriate standards to enable an assessment to be made by SELECT's Technical Advisers?
- Are you using and issuing appropriate certificates for work?
- Do you have calibrated test equipment?
- Do you have a written Health & Safety Policy?
- Do you hold Public Liability insurance cover of at least £2m and Employers' Liability insurance cover (if appropriate)?
- Do you have an account with a wholesaler that we can send a Commercial Assessment Request to?
