PASMA Towers for Users

SELECT Safety Course 211

Overview:

The Towers for Users Course is aimed at personnel who will be responsible for assembling, dismantling, moving and inspecting mobile access towers when using 3T or Advance Guardrail (AGR) systems.

The one-day course is delivered through a mixture of classroom-based theory and hands-on practical sessions. A PASMA PhotoCard and Certificate will be issued to successful delegates who complete the theory and practical sessions, which is valid for 5 years.

Content:

- Legislation, Regulations and Guidance affecting working at height with mobile access towers
- PASMA Code of Practice; Product standards EN1004:2004
- Assembling, altering and dismantling towers incorporating best practice for fall protection
- Inspection of completed mobile access towers
- Completion of Tower Inspection Records
- Hazards affecting the use of mobile access towers and how to avoid these hazards.

PRESENTERS:

Presenter from Training Plus Limited.

FEES:

SELECT Members - £105 + VAT (£126)

Non Members - £135 + VAT (£162)
